

NJ State Fire Chiefs Association Annual Convention Seminar - Virtual Delivery

Lexipol in partnership with the NJ State Fire Chiefs Association Presents: “Gordon Graham and Curt Varone - Presenting their Views on Risk and Liability Issues for New Jersey Fire Chiefs and their Departments.

Date: Friday, September 10, 2021

Time: 6pm - 8PM

Over the past year or two, NJ has had a spate of fire department suspensions or closures due to concerns raised by local government bodies relating to the lack of certifications. A closer look by state and local authorities after a series of serious fires, lack of oversight, etc. The NJSFCA is working to take the lead to educate departments on the importance of compliance, policy, and strategic planning to avoid these operational pitfalls. Their discussion help chiefs navigate through these types of issues, among other important concerns

Gordon Graham will discuss “Thoughts on Real Risk Management for the Fire Service” Topic: What Real risk Management is all About.”

Curt Varrone will discuss, “The important legal risks for fire departments”

Join us in this engaging discussion with 2 of the leading experts on these topics. This program is a must if you are in a leadership role in your fire department. Learn how to not only protect you and your department from legal liabilities, but how to thrive in the future
